HUTCHINSON and BLOODGOOD LLP  
CERTIFIED PUBLIC ACCOUNTANTS AND CONSULTANTS

### We'll deal with the day to day...you grow your business.

If you are a Danish company entering the U.S. market, our international experts can support you in expanding your business. We currently enjoy working with a growing number of Danish owned corporate clients across the US. Because of our Danish-American ties, we are especially well suited to assist Danish inbound businesses. Successful international companies have to keep pace with constantly changing compliance standards in all the countries they do business, and we can help!

### Providing practical solutions to move from complexity to clarity.

We make it our top priority to provide our clients with customized, practical solutions to help them run their international business competitively and effectively. We offer transnational companies the necessary support, including:

- Tax and regulation compliance for federal and state laws
- Accounting and bookkeeping services
- Audit and financial reporting
- Pre-immigration tax planning for inbound executives
- Other business advisory services

### You have international business needs...we have the expertise to help!
